Area Guide 2018

HUDSONVILLE
AREA CHAMBER OF COMMERCE

PROVIDING
urgent care close to home.

Get health care without the hassle.
Illness or injury isn't something anyone plans. Whether it's an evening fever or flu symptoms on the weekend, we have you covered with a walk-in urgent care that's open nights, weekends and holidays. And the best part is that all of these services are located right around the corner.

Location: 8333 Felch Street
Zeeland, MI 49464

Medical Office Building,
Suite 100A
Adjacent to the hospital

Good Living.

We are so excited to present you with the 2018 Hudsonville Area Guide.

It certainly is good living here in Hudsonville, isn't it? With beautiful parks, family-friendly events, and unique shops and restaurants to sift through and unwind in, I know I find my heart happy.

We invite you to experience the richness of life here in Hudsonville and to find out what Good Living Hudsonville means to you.

Here's to a year of adventures, love, and laughter!

~ Michelle Fare
Executive Director, Hudsonville Area Chamber of Commerce

Our Mission...

To improve the lives of our community by helping them sell their homes for the most money possible and helping them find the right home, in the right location for the right price!

We Believe...

- Every client should get personalized attention that takes into consideration their individual needs and desires.
- We believe in taking the extra time required to do what it takes to get the best results for our clients.
- Sellers deserve the most money possible from the sale of their home, which is often their biggest investment, and we commit to doing what it takes to get their home sold at the highest price possible.

Play Outside

Action Wake Park:
The wake park offers incredible staff who can help new wake-boarders get the hang of the sport, but it's also a park that draws in professional level athletes.

Pickleball Courts
Pickleball courts were built as a joint effort between Hudsonville Public Schools Community Education and the City of Hudsonville.

A tennis court was converted into six pickleball courts, which can be found near the Early Childhood Education Center off of Chicago Drive. There is even a Hudsonville Pickleball Club for people interested in the sport.

Disc Golf
Hughes Park has many great amenities, but one of the neatest is the Disc Golf Course!

Hughes Park boasts an 18-hole, 9-basket disc golf course open to the public. The Disc Golf course was established in 2001 and is 3,645 feet in length.

Each hole of the course is par 3. Tee pads are marked on the grounds. In addition, 3 "Alternative Play" areas are indicated by concrete pads.

Enjoy the Parks

Hughes Park
Hughes Park includes a stand of mature trees that provides a beautiful setting for picnics as well as a shelter house and pavilion. The park features ball fields, playgrounds, frisbee golf course, basketball court, and horseshoe pits.

Sunrise Park
This park has many mature trees and features a wood chip trail on the north side of Rush Creek. Sunrise Park is designed to be a neighborhood park and features two playgrounds, a ball field, picnic tables under a pavilion, restrooms, open field play area, a rain garden, and paved parking.

Veterans Park
This one-acre park was completed in 2004 thanks to donations and in-kind assistance from various sources. It features statues representing the various branches of the Armed Services, a memorial wall, a stone that has plaques honoring local military personnel, and World War II cannon. The path is barrier-free accessible.

Hillside Park:
Hill Side Park has a playground, barbeque pits, picnic tables under a pavilion, and a beach volleyball court. The playground and pavilion have barrier-free accessibility.

Hudsonville Nature Center
The Hudsonville Nature Center is located between the I-196 Freeway and New Holland Street in the southeast part of the city. Features include a mixed hardwood forest, sand prairie, mesic prairie, moraines, wetlands, and a flowing creek (DeWeerd Drain). One hundred and seventy eight (178) wildflower species have been identified in the Nature Center, including a healthy population of the Special Concern listed Twinleaf, Jeffersonia diphylla.

A main feature of the Nature Center is a recreated native Michigan Prairie. A six-acre site has been planted with native Michigan wildflowers and grasses. The Nature Center features three miles of groomed woodchip trails, picnic areas, boardwalks, overlook decks, and scenic vistas. The Nature Center offers an excellent opportunity for natural science education and general enjoyment of the outdoor environment.

The Chamber

Have you wondered what the Hudsonville Area Chamber of Commerce is?

Well the Chamber exists to foster business growth and professional development through relationship building, advocacy, and promotion to benefit the community.

Some of our initiatives include:

- We host the Hudsonville Showcase, and partner with the City of Hudsonville and community sponsors to bring you Urban HayDay, the Hudsonville Holiday Parade, the Concerts on the Green, and That Movie Shindig.
- We host networking events, professional development events, and employer resource events.
- We celebrate with new businesses by hosting ribbon cuttings.
- We partner with the schools to bring real world experiences and career pathway expertise into the classrooms.
- We help businesses connect with consumers through advertising opportunities and events.

If you are interested in getting involved or knowing more, visit our website at www.hudsonvillechamber.com.
